Dear Institution Nodal Officer,

As you may be aware, AISHE 2022-23 is in full swing and many institutions are enthusiastically participated and have submitted the data. Submission of data of your institution is still pending.

2. You may have observed that AISHE 2022-23 Web DCF is user friendly with a lot of Tool Tips/Notes at appropriate places. To facilitate the institutions, we have conducted a number of online meetings as well as physical meetings in the States, with more online and physical meetings slated in March 2024. Our collective endeavour alongwith the State Nodal Officers this time is for 100% response from the institutions, but at the same time ensuring the accuracy and full reporting of the parameters, especially enrolment (including for social categories such as SC/ST/OBC, minorities, foreign students, etc.), seat intake (which should be near first year's enrolment), teachers in position, sanctioned strength of faculty/teacher, scholarship, financial information, infrastructure, NEP related information, etc. More importantly, in this Survey, we request you for 100% accuracy in the Geographical Coordinates (latitude/longitude), of your institution as otherwise it would lead to inaccurate or wrong mapping of your institution in the PM GatiShakti Portal.

3. The increased importance and usages of AISHE data are very well known to you. It is the only comprehensive statistics on Higher Education. It would be your national obligation to ensure that the education data of your institution is appropriately reflected in AISHE 2022-23. We are now giving sufficient time upto 20th March 2024 for uploading the data in AISHE 2022-23. I would request you to kindly submit/upload your data well in advance, so that you do not face any connectivity/technical issues in the final week, and there is sufficient time for checking/rectification. In this regard, we are writing to State Education Secretaries also. We will be pursuing from level of Secretary, Higher Education and Chief Secretary also.

With warm regards,

Yours sincerely,

R Rajesh
